Professional Experience

Wasilewski Holdings — Grand Rapids, MI *President & Founder* | April 2025 – Present

- Founded and manage a holding company built to acquire and control ownership stakes in technology-focused startups
- Oversee a portfolio currently including Cloud Cards and PowerShade, including the full acquisition of Cloud Cards into the portfolio
- Personally manage legal, tax, and compliance infrastructure across the portfolio — acquisition agreements, multi-entity tax filings, and governance documents — in place of outside counsel

Cognition Daily — Nonprofit, 501(c)(3) *Director & Founder* | September 2025 – Present

- Founded a nonprofit building a brain-health tracking platform focused on dementia-prevention research and outreach
- Lead business development, strategy, and growth; built out board governance and organizational/banking infrastructure

Cloud Cards *Co-Founder & CEO* | April 2025 – Present · *Acquired by Wasilewski Holdings, 2025*

- Co-founded an NFC-enabled digital business card platform for instant, contactless professional networking
- Led growth, product innovation, and sales through to a full acquisition

PowerShade Solar Beach Umbrellas *Co-Founder & CEO* | August 2025 – Present

- Co-founded a hardware startup building solar-powered, device-charging beach umbrellas
- Serve as software developer and head of business development, driving product and go-to-market strategy

DayDream Technologies — East Lansing, MI (Hybrid) *Chief Technology Officer & Co-Founder* | February 2024 – Present (Part-time)

- CTO and co-founder of a student-founded technology consulting company delivering websites, mobile apps, XR, AI/ML, and AWS solutions

- Manage 30+ team members across 6+ time zones on 7+ concurrent client projects

Eide Bailly LLP *Microsoft Development Intern* | May 2024 – May 2025

- Developed custom Microsoft and Salesforce solutions for clients as part of the firm's technology consulting practice
-

Leadership & Activities

- **Eagle Scout**, Boy Scouts of America; selected for the Governor's Honor Guard on Mackinac Island for three consecutive summers; numerous leadership roles
 - **Founding Member, Senior Project Manager & Chief Diversity Officer**, MSU Software Engineering and Computing Society
 - **Student Advisor**, MSU CSE Advisory Committee & Undergraduate Curriculum Committee (2024–2025) worked with faculty to improve the undergraduate CSE experience
-
